Backing: Cut and piece to fit quilt top with 4" overlap on all sides.

Please read all the instructions before starting. Press towards the dark fabrics. Use a 1/4" seam allowance.

Making the Hourglass Block:

1. Referring to figure 1, draw a diagonal line from corner to corner on the wrong side of a 9-1/4" fabric C square. Place marked square on a 9-1/4" fabric B square, right sides together. Stitch 1/4" away from the drawn line on both sides. Cut the square on the drawn line to yield two B/C units. Press seam allowances toward the B side. Place units right sides together, matching seams, with B triangles opposite C triangles. Draw a diagonal line from corner to corner, crossing the previous seams. Stitch 1/4" away from the line on both sides. Cut on the drawn line to yield two hourglass blocks. Repeat to make 17 hour glass blocks.

Assembling the Quilt:

Refer to quilt assembly diagram for block placement in rows.

2. Watching orientation and turning blocks in the appropriate direction, join three 8-1/2" fabric A squares and two hour glass blocks to make a row. Make four rows starting with fabric A squares and three rows starting with the hour glass block. Sew rows together.
3. Sew a 1-1/2" x 56-1/2" Fabric D strip to opposite sides of quilt top. Sew a 1-1/2" x 42-1/2" Fabric D strip to top and bottom of quilt top.
4. Sew a 6-1/2" x 58-1/2" Fabric B strip to opposite sides of quilt top. Sew a 6-1/2" x 54-1/2" Fabric A strip to top and bottom to complete the quilt.
5. Layer, quilt and bind as desired to finish.
