Piecing Instructions

Stitch Fabric Eleven 2.5" strips to each side of Fabric Four 5.5" strips to make strip set. Make two. SC into (6) 9.5" wide sections.

Stitch Fabric Two 9.5 x 5.0" sections to left and right side of strip set blocks. Blocks measure 18.5" x 9.5". Set aside.

Flying Geese Blocks: Directions for piecing all flying geese blocks are as follows: Draw one diagonal line on back of 5.0" squares used for flying geese block. Align square on left end of 9.5" x 5.0" rectangle, stitching on diagonal line from lower left to center of rectangle. Flip corner open and press; trim away excess layers. Repeat stitching square to lower right of rectangle, stitching from lower right to center of rectangle. Flip, press and trim. Make flying geese blocks with the fabrics shown below and the number indicated of each.

Fabrics for flying geese are listed for example as 10/5 (8) which means: 5" squares are Fabric 10, 9.5" x 5" rectangle is Fabric 5, and the number in parentheses (8) is the total number blocks of that combination to make.

10/6 (8)

10/8 (6)

10/7 (6)

9/8 (2)

9/7 (2)

9/10 (4)

Stitch a flying geese section to left and right side of Fabric One and Fabric Three 9.5" squares (making sure orientation of Fabric One's one way print is in correct orientation from top to bottom). Make the number of blocks indicated below.

Next, stitch remaining 5.0" squares to left and right of remaining flying geese sections per the images below. After assembling those sections, stitch them to top and bottom of blocks made in previous step keeping one way prints vertical from top to bottom throughout. Make one complete block to match each image below.

Lay out all blocks in three vertical rows as shown below. Stitch each vertical row and then stitch rows to each other.

Border 1: Stitch (2) 2.5" Fabric 9 strips end to end to make one long strip. Make 2 like strips and trim to 72.5"; stitch to left and right of quilt. Stitch remaining (3) 2.5" Fabric 9 strips end to end into one long border section. Trim into two pieces 58.5" long and add to top and bottom of quilt.

Border 2: Stitch (2) 1.5" Fabric 11 strips end to end. Make 2 like strips and trim them to 76.5"; stitch to left and right of quilt. Join remaining strips into one long strip and trim into two pieces 60.0" long. Add to top and bottom.

Border 3: Stitch 5.0" Fabric 2 border strips into four borders of two strips each. Trim two sections to 78.5" and add to left and right. Trim remaining two sections 69.5" and add to top and bottom.

Binding: Stitch all binding strips together on 45 degree diagonal, fold in half lengthwise, and press to make double fold binding.

Backing: Cut backing into two pieces each 2-5/8" long and seam vertically.
