*includes binding		Backing: (cut into two 2-5/8 long pieces)

- Please read all instructions before beginning.
- Use scant 1/4" seam allowance throughout. Press seams open to reduce bulk.
- wof = width of fabric from selvage to selvage
- SC = "subcut" strips previously cut into specific smaller pieces
- S&F = "stitch and flip" means place a square with a diagonal line on the back right sides together to the corner of another patch, stitch on the diagonal line, trim away excess layers leaving 1/4" seam allowance, flip square added open and press.
- When joining border strips to each other, stitch with a straight seam rather than on the 45 degree angle.
- There are a lot of seams in this large block. Make sure your seam allowance is accurate or it could greatly alter the size of this block once all sections are added.

Fabric 1: K7160-150g-Sunflower Gold

Cut (4) strips 2-7/8" x wof; SC (48) 2-7/8" squares and cut squares once on diagonal once to make 96 triangles

Fabric 9: G8555 Hunter Gold 60G

Cut (6) strips 2.5" x wof [for strip set]

Cut (3) 2.5" strips x wof; SC (48) 2.5" squares.

Fabric 10: G8555-115g-Grass Gold

Cut (6) strips 2.5" x wof [for strip set]

Assembly Directions:

To each corner of an 8.5" Fabric 3 square, S&F a 2.5" Fabric 7 square. Make 12 and set aside.

Make a strip set by sewing one 2.5" Fabric 9 strip to one 2.5" Fabric 10 strip. Repeat to make six like strip sets. SC these strip sets into (96) 2.5" x 4.5" pieces.

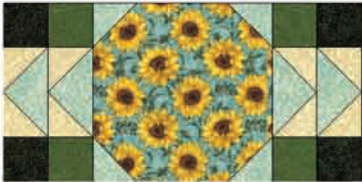

S&F 2.5" Fabric 8 squares to upper left and right sides of 2.5" x 4.5" Fabric 7 rectangles to make 96 flying geese blocks.

Stitch two flying geese to each other to make 48 pairs as shown at right.

Next stitch the sections from the strip sets previously cut to the left and right side of the flying geese pairs as shown at left. Make 48. These sections measure 4.5" x 8.5".

Stitch a flying geese section to left and right side of center block as shown. Block measures 8.5" x 16.5".

Next stitch a Fabric 8 triangle to the left of a 2.5" Fabric 9 square. Add Fabric 8 triangle to the top of that Fabric 9 square. Make sure your angles match the diagram at left. Then join the Fabric 4 triangle. Make 48. These sections measure 4.5" x 4.5".

Stitch the sections just made to the left and right side of the remaining flying geese/strip set sections as shown at left. This section measures 4.5" x 16.5".

Add those sections just completed to top and bottom of block. You will have 12 blocks measuring 16.5" square.

Join these blocks into four horizontal rows of three blocks each. Stitch the blocks to each other to make the rows and then join the rows to each other.

Border 1: Join (3) 2.0" strips of Fabric 6 end to end. Remember all border strips are joined with a straight seam. Make 2. From each of these two border strips cut (1) piece 51.5" long and one piece 64.5" long. Stitch the 64.5" long pieces to the left and right sides of the quilt center. Add the

51.5" long sections to top and bottom of quilt.

Border 2: Using Fabric 2 strips, make two border sections by stitching two strips end to end. Cut these two sections 67.5" long and join to left and right sides of quilt. Stitch remaining three border strips end to end and then SC two pieces 56.5" long. Add these to top and bottom of quilt.

Border 3: Using Fabric 5 border strips, make four border sections each two strips long sewn end to end. Trim two of these strips 72.5" long and add to left and right of quilt. Trim remaining two strips 59.5" long and join to top and bottom of quilt.

Border 4: Using Fabric 1 border strips, make four border sections each two strips long, joined end to end. Trim two of these strips 75.5" long and join to left and right of quilt. Trim remaining two strips 71.5" long and add to top and bottom.

Binding: Join all Fabric 5 binding strips end to end using a 45 degree angle seam. Trim away excess seam allowance, press seam allowance open, and then press binding in half along length to make double-fold binding.

Backing: Cut backing fabric into two sections each 2-5/8 yards long. Stitch together along selvage edges, stitching with an approximately 1" seam allowance. Trim away selvage edges leaving a seam allowance approximately 1/4" wide. Seam will run vertically down the back of your quilt.

Layer, quilt, bind and enjoy!
