## Yardage Chart

|   | Fabric                   | 1 Kit    |
|---|--------------------------|----------|
| A | L2560 Seafoam #79*       | 5/8 yard |
| B | L2562 Sandcastle #488    | 1/4 yard |
| C | L2564 Antique Beige #A25 | 1/8 yard |
| D | L2565 Seafoam #79        | 1/4 yard |
| E | L2566 May #590           | 3/8 yard |
| F | L2568 Macaron #608       | 1/4 yard |
| G | L2569 Belle #574         | 1/2 yard |
| H | L2571 Seaside #484       | 1/8 yard |
| I | L2575 Belle #574         | 1/2 yard |
| J | L2576 Sandcastle #488    | 3/8 yard |
| K | L2582 Vanilla #156       | 1/2 yard |
| L | L2583 Vanilla #156       | 5/8 yard |

Note: These are estimated yardages. Final yardages will be on pattern.

\*Yardage includes binding.

BACKING: Coordinate of your choice. 3 3/8 yards (1kit); 40 1/2 yards (12 kits)

# SANDCASTLE DREAMS

Quilt design by Linda Fitch

Featuring batiks by Hoffman California Fabrics

49" x 61"

## Cutting

*It will be helpful to identify and keep separate each of the fabrics after they have been cut.*

*All fabrics are cut the width of the fabric.*

Fabric A Cut (2) strips 3 ½", sub-cut into (10) 3 ½ x 6 ½" rectangles.  
Cut (6) strips 2 ½" for binding.

Fabric B Cut 2 strips 3 ½".

Fabric C Cut 1 strip at 3 ½".

Fabric D Cut 2 strips at 3 ½", sub-cut into (10) 3 ½" x 6 ½" rectangles.

Fabric E Cut 3 strips at 3 ½".

Fabric F Cut 2 strips at 3 ½".

Fabric G Cut 4 strips at 3 ½".

Fabric H Cut 1 strip at 3 ½".

Fabric I Cut 4 strips at 3 ½".

Fabric J Cut 3 strips at 3 ½".

Fabric K Cut 4 strips at 3 ½".

Fabric L Cut 6 strips at 3 ½".

## **Construction**

*Each block will measure 6" finished.*

*Press after each seam.*

*Keep the blocks in their individual piles (columns).*

### Vertical Column 1 (and 8)

Take 1 strip of Fabric E and sew to long edge of Fabric I. Repeat. Sub-cut crosswise into (20)  $3\frac{1}{2}$ " x  $6\frac{1}{2}$ " rectangles. Take 10 of the 20 and sew to the long edge of Fabric J. Put leftover Fabric J aside for now.

Take the remaining 10 sewn ( $3\frac{1}{2}$ " x  $6\frac{1}{2}$ " rectangles) and sew to long edge of Fabric B. Block should measure  $6\frac{1}{2}$ " x  $6\frac{1}{2}$ " (unfinished).

Next step, read carefully. Lay out 10 blocks before sewing. Refer to photo for visual placement. Sew together, in a vertical row, starting with a (E and I) pair, alternating Fabrics B and J. Repeat, making 2 columns, 10 blocks in each, using same layout.

### Vertical Column 2 (and 7)

Take 1 strip of Fabric G and sew to the long edge of Fabric K. Repeat. Sub-cut into (20)  $3\frac{1}{2}$ " x  $6\frac{1}{2}$ " rectangles.

Attach (14) of these (G and K) pairs to long edge of (3 strips) Fabric L, creating  $6\frac{1}{2}$ " x  $6\frac{1}{2}$ " blocks.

Sew the remaining (G and K) pairs to the long edge of Fabric J. Make (6)  $6\frac{1}{2}$ " x  $6\frac{1}{2}$ " blocks.

Next step, read carefully. Lay out 10 blocks before sewing. Start with a rectangle of Fabric L at top, insert blocks with Fabric J into # 3, 6 and 9 positions. Refer to photo for visual placement, for extra guidance. Repeat same layout.

### Vertical Column 3 (and 6)

Sew 1 strip of Fabric G to 1 strip of Fabric K. Sub-cut into (12)  $3\frac{1}{2}$ " x  $6\frac{1}{2}$ " rectangle units. From leftovers, make 2 more (G and K) pairs, for a total of 14 pieced rectangles.

Sub-cut the remaining strip of Fabric G into (6)  $3\frac{1}{2}$ " squares. Attach Fabric G squares to long edge of Fabric C strip. Sub-cut into (6)  $3\frac{1}{2}$ " x  $6\frac{1}{2}$ " rectangles.

Attach the long edge of 14 (G and K) pairs and the 6 (C and G) pairs and sew to the long edge of remaining Fabric L strips. Sub-cut into (20) 6 ½" blocks.

Next step, read carefully. Lay out 10 blocks in a vertical row, starting with a (G and K) pair on top of column. Insert blocks with Fabric C into # 2, 5 and 8 positions. Sew together. Refer to photo for visual placement, for extra guidance. Repeat same layout.

#### Vertical Column 4 (and 5)

Take one strip of Fabric H and sew to long edge of Fabric I. Sub-cut into (7) 3 ½" x 6 ½" rectangles/pairs.

Add the long edge of Fabric D rectangle to 4 (H and I) pairs. (Unit D, H and I) Add the long edge of Fabric A rectangle to 3 remaining (H and I) pairs. (Unit A, H and I)

Take last remaining strip of Fabric I and sew to the long edge of Fabric F. Sub-cut crosswise into (6) 3 ½" x 6 ½" rectangles.

Add the long edge of Fabric D rectangles to 2 Fabric (F and I pairs). (Unit D, F and I) Add the long edge of Fabric A rectangles to 4 Fabric (F and I) pairs. (Unit A, F and I)

Take remaining strip of Fabric E and sew to long edge of Fabric F. Sub-cut into (7) 3 ½" x 6 ½" rectangles.

Add the long edge of Fabric A to 3 Fabric E and F pairs. (Unit A, E and F) Add the long edge of Fabric D to 4 Fabric E and F pairs. (Unit D, E and F)

Lay out blocks in this rotation...Unit AEF, DHI, AFI, DEF, AHI, DFI, AEF, DHI, AFI, DEF. Start with a full rectangle of Fabric A on top. Sew blocks into a vertical column.

Repeat with remaining 10 blocks, using same layout.

#### Sewing the Columns Together

Divide the 8 columns into 2 even/identical sets of 4.

Sew columns together starting with #1, keeping (#1) to the farthest left and always add onto the right. Attach rows 2, 3 and 4. Repeat.

With now 2 vertical sections (4 columns each), turn one of those sections upside-down and sew up the middle. Make sure you are sewing Row 5 to Row 4, having rows 1 and 8 at opposite sides. Again refer to photo.

Layer backing, batting and top. Quilt as desired. Bind. Enjoy!
